Work experience

Sales Floor Associate

Walmart | Pleasant Grove, UT

July 2025 to Present

- Assisted customers with questions and product location, increasing satisfaction and driving repeat business through attentive support.
- Organized merchandise and maintained clean, orderly salesfloor displays, improving product visibility and contributing to a positive shopping experience.
- Completed daily operational tasks efficiently in a fast-paced retail environment, supporting smooth store operations and timely restocking.
- Collaborated with team members to meet store needs and adapt to shifting priorities, ensuring consistent coverage and responsive customer service.
- Built strong customer service and communication skills through daily public interaction, enhancing the store's reputation for helpfulness.

Alarm Monitoring Specialist

Vivint | Orem, UT

June 2024 to July 2025

- Monitored alarm activity and responded to alerts using established procedures, ensuring rapid and accurate incident resolution.
- Reviewed incoming information quickly and made timely decisions during active situations, minimizing risk and supporting customer safety.
- Documented incident details clearly and accurately in internal systems, maintaining compliance and supporting effective follow-up.
- Communicated with customers and team members during time-sensitive events, ensuring clear updates and coordinated responses.
- Maintained focus and accuracy in a fast-paced, high-responsibility environment, reducing errors and supporting operational reliability.

Parking Enforcement

Utah Valley University | Orem, UT

August 2019 to August 2023

- Enforced campus parking policies with accuracy and consistency across assigned areas, supporting campus order and compliance.
- Documented violations and maintained detailed records, demonstrating strong attention to detail and supporting fair enforcement.
- Communicated with students, staff, and visitors to explain policies and resolve concerns professionally, enhancing campus relations.
- Handled difficult situations calmly while applying rules fairly and consistently, maintaining a safe and respectful environment.

- Patrolled independently and made decisions based on real-time conditions and policy guidance, ensuring effective coverage and response.
- Supported campus operations through observation, reporting, and dependable follow-through, including setting up parking for events.
